My School Needs a EDUCATOR Plus® Color Poster Printer but I have no money in the budget!

No Problem- Fact is , most of our School purchases are made within two weeks and were never budgeted.

Funding an EDUCATOR Plus Poster Printer can be Easy and Immediate!

Here's how it's done. Our new EDUCATOR Plus Poster Printer package is a necessary Visual Learning & Communications System. Since no School should be left without it, we have partnered with Canon and designed a complete package affordable for all schools. Principals can coordinate with other administrators to spread the (already low) cost across a few department budgets and "pool" together funds that are available.

You will be surprised with the eye catching posters and low operating costs!

**Our EDUCATOR Plus School Poster Printer Package is only \$4,995.00
Here are a few common funding scenarios.**

- Scenario 1 \$2,800Title 1 Program Funds
 \$1,900.....General Budget
 \$300.....Vending Machines Earnings
- Scenario 2 \$3,700.....PTO Fundraisers Dollars
 \$1,300.....Instructional Technology Funds
- Scenario 3 \$2,000.....School Improvement/Building Funds
 \$1,900.....General Budget
 \$1,100.....Clubs Donations
