## EDUCATOR PLUS Color Poster Printer

### Using Large Color Prints

**Building Bright and Cheerful Classrooms in Full Color, Quickly and Economically.**

Using a EDUCATOR PLUS Color Poster & Banner Printer from [Tonas Graphics](#) makes it **easy** ! Now Schools can produce large, full color customized prints of educational materials for use in the classroom as well as exciting schoolwide visual communications. **Full Color Poster Printing is surprisingly affordable. A standard 2'x3' color poster costs about \$1 and a huge 3'x5' poster about \$3.** School Applications include Classroom Posters, Student Recognition, School Events, Fundraising & Admin Communications.

### Fast & Easy

**You Can Quickly and Easily Produce Large format Prints** from widely used applications such as Word, Excel and Publisher directly from your computer. You can also "scan and print" posters from original 8 1/2" x 11" documents. Use Canon Poster Artist Software with Tonas Graphics P.A.S.S. Templates to select, edit & print high quality personalized school posters in minutes!

Use Canon Poster Artist Software with Tonas Graphics P.A.S.S. Templates to select, edit & print high quality personalized school posters in minutes!
