

# So many ways to use an EDUCATOR Plus® Poster Printer in your school...

**The EDUCATOR Plus Poster Printer is so Versatile and Easy to Use you'll have many ways to access it for everyday use in your school. Here are some of the Work Area Locations and Ways to Access and Use It.**

The Printer is set on a stand with wheels so it can be moved easily. The EDUCATOR Plus Color Poster Printer is PC and MAC Compatible so a connection of the Printer to the Computer of your choice is all that is needed. You can make a simple USB connection work station or have a full system network. We recommend that you station it with a computer in a common area or work room so that is conveniently accessible to the teachers, faculty, staff, parent groups and students that will be using it. The following are some common areas where the Printer is used.

## **EDUCATOR Plus Poster Printer Common Work Areas**

<i>Media Center</i>	<i>Work Area</i>	<i>Copier Room</i>	<i>Meeting Room</i>
